ANNUAL REPORT 2023–24

Dr. Arun Motghare Polytechnic, Kosra–Kondha

Dr. Arun Motghare Polytechnic, Kosra–Kondha is pleased to present the Annual Report for the academic year 2023–24. The institute functions under the aegis of Late Shri. Laxmanji Motghare Charitable Trust, Nagpur and is approved by AICTE, recognized by DTE, and affiliated to MSBTE. During the academic year under review, the institute has made consistent efforts to uphold academic excellence, strengthen institutional practices, and ensure the holistic development of students through quality technical education and value-based learning.

The vision of the institute is to develop competent diploma engineers with sound technical knowledge, professional skills, ethical values, and social responsibility. In pursuit of this vision, the institute follows a mission that emphasizes effective teaching–learning processes, continuous academic monitoring, skill development through practical exposure, promotion of innovation, industry interaction, and the inculcation of discipline, leadership qualities, and professional ethics among students.

Throughout the academic year 2023–24, the institute ensured systematic implementation of the curriculum prescribed by MSBTE. Teaching–learning activities were carried out through regular lectures, practical sessions, tutorials, unit tests, internal assessments, and semester examinations. Faculty members adopted learner-centric teaching methodologies, ICT-enabled teaching aids, and practical-oriented approaches to enhance academic outcomes.

The institute offers diploma programmes in Civil Engineering, Mechanical Engineering, Electrical Engineering, and Computer Engineering. All departments actively contributed to academic enrichment by organizing expert lectures, seminars, workshops, technical competitions, and industrial visits.

International Yoga Day was celebrated to promote physical fitness and mental well-being. Mahila Sanrakshan Diwas was observed to create awareness about women's safety and empowerment. Nature Conservation Day was celebrated with a tree plantation drive in the campus. The 77th Independence Day was celebrated with flag hoisting and patriotic activities, with Arun Motghare as Chief Guest.

The NSS unit organized social and environmental activities throughout the year. The institute is equipped with adequate infrastructure including laboratories, classrooms, library, computer center, and sports facilities.

In conclusion, the academic year 2023–24 has been progressive for the institute. The management, Principal Arun Motghare, faculty, staff, students, and stakeholders contributed collectively to institutional growth.
